Docket No. 50-213

CY-07-120

U. S. Nuclear Regulatory Commission  
Attention: Document Control Desk  
Washington, DC 20555-0001

Haddam Neck Plant  
Resubmittal of the Final Status Survey Report for Phase V

Revision 2 to the Final Status Survey (FSS) Final Report Phase V was submitted to the NRC on July 12, 2007. This letter resubmits Revision 2 to the Phase V FSS Final Report in hard copy form. It is our understanding that the NRC Document Control Desk cannot find the hard copy of the report that was previously sent to them and cannot read the computer disks that were submitted with the hard copy.

We request that the Document Control Desk expedite placing this document into ADAMS. It is our understanding that this administrative action is delaying issuance of the site release letter for the Haddam Neck Plant. If you should have any questions or require additional information please contact me at (860) 573-5523.

Sincerely,

Gerry van Noordennen  
Director, Regulatory Affairs and Quality Assurance
