Out of Scope

Ray, why on Earth would you do that? (Although, if you do that may postpone a job action like it did on Friday. maybe we should just get it over with instead!) Just wait for the vote results and then the Union's plans tonight. As I said, Cliff was not onsite before the vote 3 years ago. Jamie and I can hold it together until the troops arrive tomorrow if needed.

The latest (and greatest?) watchbill for the VY Strike coverage is attached.

Realizing that everything is contingent on today's union vote:

Beth will come in at midnight if strike called

Ray will travel tonight for tomorrow

Garrett will travel tomorrow for tomorrow night

I will travel tomorrow afternoon for day Wednesday

Others as needed

Any questions, please call
