**Re: Indian Point Units 2 and 3 Relicensing
Extension Request for Scoping Comments on SEIS**

Dear Mr. Pham:

Thank you for your telephone call yesterday in response to the State of New York's request to submit scoping comments by October 31, 2007, on the above matter. This letter is to confirm that the State will submit its scoping comments by October 31, 2007, and that the NRC will consider these comments. These written comments will be in addition to the oral comments that the New York Department of Environmental Conservation and the New York Department of Law provided at the scoping session on September 19, 2007. We very much appreciate this accommodation.

Respectfully submitted,
