Name of Participant(s): Janice Nguyen, RSO

Subject: RAI (141125) dated 10/17/07
(NOTE: This will be used as the Documents Title in ADAMS)Summary: In a letter dated 9/21/07, the licensee requested the LOU at 406 Delaware Avenue, Bethlehem, PA be removed from the license. In the letter, the license stated that the sealed sources will be transferred to other licensees. According to the RSO the sources have been transferred. I requested that she provide documentation of the transfer of material. Also, the licensee requested the addition of three AUs (Linda Kloss, D.O., Mark Silidker, M.D., and Daniel Pryma, M.D.) For the use of 35.100; 35.200; and 35.500 materials. I confirmed that Dr. Pryma is listed on License No. 37-02523-01 and Dr. Silidker is listed on License No. 37-13232-01. Dr. Kloss is not listed on any licenses. I informed the RSO that they will need to obtain a preceptor form (313A AUD) for Dr. Kloss. None of the requested AUs are authorized for the use of 35.500 materials. The RSO stated that they are trying to dispose of these materials and may not need to have these AUs authorized for them. After the license is amended there will not be any AUs authorized for the use of 35.500.
