SUBJECT: INVITATION TO SPEAK AT THE 25TH ANNUAL INSTITUTE OF NUCLEAR
MATERIALS MANAGEMENT SEMINAR

Dear Mr. Johnson:

Thank you for your October 2, 2007, invitation to speak at the 25th Annual Institute of Nuclear Materials Management Seminar on spent fuel management in January 2008. I am looking forward to participating in the seminar and I will plan on presenting an Overview of the NRC Spent Fuel Storage and Transportation Program Activities. In addition, my two deputies, Nader Mamish, and Ed Hackett, will be available to give presentations on significant licensing and technical issues in the regulation of spent fuel storage and transportation. Additionally, I would expect two or three staff members will want to present additional technical papers and would accompany me to the seminar.

If you have any questions, please feel free to call me at 301-492-3300.

Sincerely,

/RA/
