Re: NRC License No. 29-08622-04

The following information is offered in support of our amendment request for Dr. Craig Glick.

Dr. Glick has participated in over 10 cases of the use I 131 for the purpose of imaging and localization under my supervision, has satisfactorily completed the requirements in 10 CFR 35.392 (c) (2) and has achieved a level of competency sufficient to function independently as an authorized user for medical uses authorized under 35.300 for the purpose of oral administration of I 131 for the purpose of imaging and localization studies. Dr. Glick has been actively involved with the use of I 131 for the purpose of imaging and localization since he joined our practice in July, 1992.

Please contact Jonathan Law (609)652-3409 if there are any questions concerning this response.

Sincerely,
