Mr. John Nicholson  
U.S. Nuclear Regulatory Commission  
475 Allendale Road  
King of Prussia, PA 19406

**Subject: Final Status Survey Plan**

Dear Mr. Nicholson:

On behalf of the Commonwealth of Pennsylvania, EnergySolutions, LLC is pleased to submit the revised *Final Status Survey Plan for Surface and Sub-Slab Soil at the Quehanna, Pennsylvania Site*, Rev. 1, Document No. 82A9622. We hope that revisions to the plan have adequately addressed your concerns relayed during the September 11, 2007 telecom.

If you have any questions or comments, please direct those to Bryan Werner at 717.787.2781.

Sincerely,

Kenneth M. Kasper, CHP, CIH
