Subject: Phone Call Update on Indian Point Groundwater Issue - Thursday 6/21 at 3:30 p.m.

EX6

On Thursday, 6/21/07, at 3:30 p.m. there will be an update on the Indian Point groundwater contamination issue. This will allow key government stakeholders to ask questions about this issue associated with Indian Point Energy Center.

A secure bridge line will be used for this call in an effort to ensure that only government stakeholders and Entergy join the phone call. This service will ask you to identify yourself, and they will record the phone number that you are calling from. I will receive call information after the call is completed to verify that only government stakeholders and Entergy are allowed to enter the briefing. This method is being used to ensure appropriate briefing attendance.

Date: Thursday, 6/21/07
Time: 3:30 p.m. - 4:30 p.m.

Toll Free Phone Number: 1-888-928-9177
The operator will ask you for your name, phone number, passcode, and the leader's name.
Passcode: (b)(2)High
Leader's name: MR DANIEL ORR

EX2

Please note that the conference bridge cannot be accessed prior to 3:30 p.m.

If multiple individuals from your organization plan to participate in the conference call, please call from a common location when possible.

The briefing is being provided for federal, state, county, and local government officials or their representatives. Please do not distribute the telephone conference information to individuals other than the intended participants.

Very Respectfully,
Dan Orr
Senior Project Engineer, USNRC Region 1
