Dear Mr. Pham:

I am writing to encourage you to approve the relicensing of the Indian Point Energy Center in Buchanan, New York. As an Entergy employee and a resident of the Hudson Valley for the past 6 years, I have lived and worked just minutes from Indian Point in complete safety and security.

When armed with the correct facts, the public citizenry will come to the correct conclusion: "Indian Point is Right for New York." It is incumbent upon you to ensure the decision makers are presented with balanced and correct information regarding the decision to relicense Indian point.

Indian Point provides jobs, taxes for schools, affordable electricity for area homes and businesses, all in an environment-friendly way.

I urge you to support the relicensing of Indian Point.

Sincerely,

Daniel Ropson
