Re: Referral No. 200274421

Dear Mr. Lickus:

In response to your referral of health and/or safety hazards at:

AmerGen Energy, LLC  
R.R 3, Box 228, Hyw 54 East  
Clinton, IL. 61727

the Occupational Safety and Health Administration (OSHA) has sent a letter to AmerGen Energy, LLC requesting that the appropriate action be taken to correct the situation. Enclosed is a copy of that letter for your information. As the letter indicates, the employer has been given 5 days to correct the hazards.

Please notify me if no correction has been made within 5 calendar days. We have not revealed your identity to the employer. When we receive additional information from the employer, we will notify you of his response.

Your continued interest in workplace safety and health is appreciated.

Respectfully,

A handwritten signature in black ink that reads "for Nick A. Walters". The signature is written in a cursive, flowing style.

Nick A. Walters  
Area Director
