US Nuclear Regulatory Commission
Washington, DC 20555-0001

Subject: EnergySolutions Quality Assurance Program, Approval Number 0935

Dear Sir:

This correspondence serves as a request for amendment to the EnergySolutions Quality Assurance Program. Our current USNRC Approval 0935, Revision 2, identifies the following locations for performing 10CFR71 activities:

Duratek
140 Stoneridge Drive, Suite 500
Columbia, South Carolina 29210

Duratek
740 Osborn Road
Barnwell, South Carolina 29812

EnergySolutions requests that the above addresses be changed as noted below and the additional location be included on our Program Approval.

EnergySolutions
140 Stoneridge Drive, Suite 500
Columbia, South Carolina 29210

EnergySolutions
740 Osborn Road
Barnwell, South Carolina 29812

EnergySolutions
1700 Longwood Road
Columbia SC, 29209

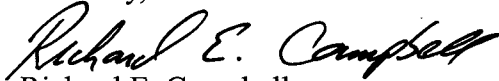

Activities at the 1700 Longwood Road location are currently performed under the NUKEM Corporation Quality Assurance Program (Docket 71-0884). NUKEM Corporation was recently acquired by EnergySolutions. With the acquisition of NUKEM, all activities and services that were provided under the NUKEM Quality Assurance Program will be provided under the EnergySolutions Quality Assurance Program (Docket 71-0935).

The two packages that were controlled under the NUKEM Quality Assurance Program (USA/6574/B() and USA/9208/B()) were transferred to EnergySolutions on September 14, 2007.

We ask that the effective date of this request be before November 29, 2007 as this is the date on which the NUKEM Quality Assurance Program will no longer be approved by the USNRC.

If you have any questions or comments please contact me at 803-758-1826 or recampbell@energysolutions.com.

Sincerely,

A handwritten signature in black ink that reads "Richard E. Campbell". The signature is written in a cursive, flowing style.
