Operational Status

Indian Point Unit 2 is operating at 100 percent power and has been online for 57 days. Unit 3 is operating at 100 percent reactor power and has been on line for 85 days.

License Renewal

The Nuclear Regulatory Commission has completed its acceptance review of Indian Point Energy Center's License Renewal Application and has determined that it contains sufficient information for the agency to formally docket or file the application and begin its technical review.

Yesterday, the NRC also announced the opportunity for interested parties to request a hearing on the application to renew the operating licenses for another 20 years. The agency expects the review of the license renewal application to take 27 months with no hearing to 35 months with a hearing.

Educational Outreach

Entergy Nuclear Northeast provides customized outreach education programs for schools, youth groups, and civic organizations. The topics we cover include Emergency Planning, Understanding Radiation, Nuclear Fuel and a general overview of the operations of Indian Point Energy Center. If you would like a brochure or are interested in scheduling a program, contact IPEC Communications at 914-271-7441.

If you have any questions or need clarification of the information provided, please contact Kathy McMullin, manager of communications, Indian Point Energy Center, at 914-271-7132.
