Summary:	I attempted to contact the licensee CEO Charles Rose but instead spoke to Sandra Nisson, who stated she was the licensing administrator. I informed her that the amendment to add Dr. Siddiqui as an authorized user lacked sufficient information. I informed her that she would need to submit evidence of 700 hours of training and experience rather than number of cases and that she would also need to send in an attestation by a preceptor. I also informed her that NUREG 1556 Vol 9 might be useful to help with the response. She stated she would send the additional information via fax.
