United States Atomic Energy Commission Source and Special Nuclear Materials Branch Division of Materials Licensing Washington, D. C. 20545

Attention: Mr. Donald A. Nussbaumer

Re: SUB-831

Dear Mr. Nussbaumer:

Request Source Material License No. SUB-831 be amended to include the use of material at the General Electric CC&F Buildings, 1 thru 8, A, B and C, on Allendale Road and CC&F No. 9 on 5th Avenue, all in King of Prussia, Pennsylvania, as shown on the accompanying area map. The General Electric Company Missile and Space Division is the sole occupant of this facility. The Radiation Safety Officer exercises the same radiation control of operations at the facility as he does at the Valley Forge Space Technology Center.

Sincerely,

E. R. Harris, Chairman

Ionizing Radiation Advisory Group
