Attention: Mr. J. S. Davis  
Acting Manager, Industrial  
Safety Engineering

Gentlemen:

Your letter dated May 18, 1970, concerning (1) the termination of use of personnel monitoring equipment and (2) membership of the GE/RESA Ionizing Radiation Advisory Group has been incorporated into the files for License No. SUB-831.

The requirement for use of personnel monitoring equipment is specified in paragraph 20.202, 10 CFR 20, copy enclosed. Your license requires only that you comply with this paragraph.

Sincerely,

Original signed by  
Robert L. Layfield
