INFORMATION ON STANDARD PRACTICE PROCEDURE PLAN REVISION 3

Dear Mr. Cowne:

On July 19, 2007, you submitted for approval the Standard Practice Procedure Plan for the Protection of Classified Matter, Revision 3. We reviewed this plan and are enclosing Requests for Additional Information (RAIs). Please note that we did not review Attachment B, "System Security Plan for the SP5 (Croon) Training System." Because this Plan does not reflect the U.S. Department of Energy's (DOE's) template for a classified local area network, we saw no reason to review it. Please note that we received a revised Attachment B, which you submitted on October 18, 2007, and we currently have under review.

We request that you provide responses to the enclosed RAIs within 30 days of this letter.

Sincerely,

/RA/
