### Other Discussion

On March 22, 2007, at the request of Southern Nuclear Operating Company (SNC), a phone call was held to further discuss the RAI letter that was sent on March 15, 2007. During the phone call SNC discussed each of the RAIs relating to Section 2.4 of the SSAR, and addressed

whether it understood the question and/or if it required additional clarification. In some instances SNC said that it was concerned with the level of information that was being requested under a 30 day response time. After some discussion with the staff on the RAIs, specifically RAIs 2.4-12-1 and 2.4.13-1, SNC understood better the intent of the questions and how best to address them. No significant issues were raised during the phone call.
