Dear Ms. Weidner:

As per your phone conversation with our consultant, Roy Heltzel, on September 23, 2007, we have provided Dr. Kushner with training for our blood irradiator detailing emergency procedures to control this byproduct material. This training was provided by Lori Gay, Radiation Safety Officer.

Thank you for your help and please contact our consultant, Roy Heltzel, if you have further questions or concerns.

Very truly yours,

Jim Dahling
