Jim,

Yes, the slides will become part of the meeting summary (public record).

I've requested 3-day delivery of the transcript - should have by end of this week.

Call me if you have additional questions.

Tom,

Thanks for the slides. Will they become public records at some point (via meeting summary or other method)?

Also, do you have an approximate date for when the transcript of the meeting will be available?

I appreciate all of your efforts in this matter.

Jim G.
