Tom,

See below for my feedback regarding the June 13, 2007 meeting with FirstEnergy. If I need to submit it in hard copy, let me know.

Comment:

As indicated on the June 13th meeting notice, meeting categories are defined in a document dated May 28, 2002, in the Federal Register. Why doesn't it also refer to an ADAMS document, like the May 21, 2002, Policy Statement (Accn No. ML021350492) such that a person can stay within the NRC document system instead of having to refer to an outside document system, in order to find the information about NRC meeting categories?
