Mr. Michael Perkins

RE: Amendment to Current NRC License Number 37-31239-01
Docket No. 030-37451

Dear Mr. Perkins:

I have just successfully completed my first NRC inspection by inspector, Richard H. Ladon on October 10, 2007. While reviewing my license, Mr. Ladon pointed out 2 items of concern that he suggested I request changed.

1) First change would be Condition 9, Authorized Use.

The current verbiage limits Independent Sample Services to only purchase nuclear gauge monitoring devices from Troxler Industries.

Can we change the verbiage to read (or something similar):

In Troxler Electronic Laboratories Model 3400 series or in other comparable companies who also manufacture portable gauging devices for measuring properties of materials.

2) Second change is our address.

Address should read:
(copy of PA Dept of Sate change form enclosed)

***Independent Sample Services, Inc.
201 West Clay Avenue
Suite D
West Hazleton, PA 18202***

Please contact me at 570-501-2882 if there is additional information you require to make the necessary changes

Regards,

De Ann Miller
