Patti,

I appreciate and value your conscientiousness. However, you may wish to consider limiting your reading to Mike Clark's guidance on the hearing file and even then you might wish to wait until after the training has occurred on Thursday before reading that. Hopefully, you will find our presentation on Thursday simple, to the point and easy to implement.

Thanks,

Jackl

Ok, thanks. I'm rereading earlier guidance (I missed the first meeting . . .)

Patti,

Nothing for you to read. You need to be archiving any e-mail, correspondence or information that is associated with the Staffs review of Shieldalloys DP & ER. Mike Clark will discuss in greater detail at the meeting on Thursday.

Thanks for responding.

Jack

Hi Jack,

Is there anything in particular that we need to read prior to the meeting on Thursday? Will there be discussion regarding what needs to get archived? That is my biggest question. There has not been much activity on the EIS side of the house pending receipt of the response to the safety RAls (which encompass a fair amount of information needed for the EIS).

Thanks!
Patti
