RE: Change of Control and  
Decommissioning of NRC License # 37-18263-18<sup>01</sup>  
*NMSBL*

Dear Ms. Henderson:

We would like to notify NRC that our facility has been acquired by Abington Memorial Hospital. Abington Memorial Hospital has acquired all the assets including the radioactive sources owned by Warminster Hospital effective October 1, 2007.

Since then the Radiation Safety Officer from Abington has audited our facility and implemented the radiation safety program and the security and surveillance of the radioactive sources.

We would like to request that our NRC license be terminated and the radioactive sources owned and possessed by Warminster Hospital be transferred to Abington Memorial Hospital, NRC License # 37-00432-02.

Warminster Hospital's Nuclear Medicine Department will operate under Abington Memorial Hospital's NRC license # 37-00432-02.

Thank you very much for expediting this request.

Sincerely,

Katie Farrell  
Former CEO, Warminster Hospital  
Executive Director, Abington Memorial Hospital, Warminster Campus
