SUBJECT: AFFIDAVIT TO WITHHOLD INFORMATION FROM PUBLIC KNOWLEDGE

I, Cary D. Alstadt, do hereby state,

1. I am the Columbia Fuel Fabrication Facility (CFFF) Plant Manager, Westinghouse Electric Company, LLC (WEC) and authorized to make and execute this affidavit.
2. On September 13, 2007, WEC provided to representatives of the Nuclear Regulatory Commission license amendment information per WEC letter number LTR-RAC-07-65. It is Westinghouse's position that the Nuclear Criticality Safety Calculations and Evaluation Attached in this letter should be withheld from public disclosure as confidential commercial information under 2.390(a)(4). Enclosed with this affidavit is a redacted version of the documents which may be made publicly available.
3. The information provided is routinely withheld from public disclosure, was submitted to the Commission in confidence and is not available in public sources.
4. Disclosure of the subject information would harm the competitive position of Westinghouse Since this report contains substantial sensitive information related to the company's nuclear criticality safety program.

For all the foregoing reasons, Westinghouse requests that the subject information be withheld from public disclosure by virtue of 10 CFR 2.390(a)(4).

A handwritten signature in black ink, appearing to read "Cary D. Alstadt", written over a horizontal line.
