SUBJECT: REQUEST FOR APPROVAL TO WRITE-OFF A DELINQUENT
DEBT (WRITE-OFF NO. FY2008-03)

The License Fee Team (LFT) has been attempting to collect the unpaid delinquent debt of Roberts Construction Company. Roberts Construction Company was issued Invoice Number AM2674-07, in the amount of \$1,450 on May 7, 2007, for materials annual fee. Roberts Construction Company filed for Chapter 11 bankruptcy. A proof of claim will be filed when we are notified by the bankruptcy court of the bar date. Since our debt is an unsecured, non-priority claim, it is highly unlikely we will be receiving any payment of our claim. The ART recommends that this invoice be written off. This recommendation is consistent with 10 CFR 15.55 (a) which states that collection activity may be terminated when it becomes clear that the U.S. Nuclear Regulatory Commission (NRC) cannot collect or enforce collection from the debtor having due regard for the judicial remedies available to the NRC, the debtor's future financial prospects, and the exemptions available to the debtor under State and Federal law (e.g., bankruptcy). The amount recommended to be written off is \$1,450 (includes interest, penalties, and administrative charges). If approved for write off, we will issue a 1099C to the IRS and the debtor.

APPROVED:
