Dear Mr. Adams:

Thank you for accepting our invitation to address the Nuclear Regulatory Commission (NRC) Region I staff on the morning of December 13, 2007. The NRC Region I Office semi-annually hosts all of its staff at a Regional Seminar. During the seminar, we review inspection practices, discuss program changes, and provide the opportunity for staff interactions and supervisor/staff discussions. In addition, we provide presentations on topics of general interest related to the NRC mission.

We have scheduled your presentation to begin at 7:45 a.m., and have set aside one hour for it. The presentation will take place in the Region I Office, Main Conference Room. Directions to the NRC Region I Office are enclosed with this letter for your convenience.

Mr. Richard Barkley of this office will be contacting you to confirm your availability and finalize your specific audio/visual needs so that we may have the equipment set up and ready upon your arrival. In order to complete the necessary paperwork for your visit, we will need your full name, address and telephone number. I understand that the Institute for Nuclear Power Operations will be paying for your travel arrangements and that your organization is not charging the NRC a fee for your presentation. As you will be traveling to the Region I Office from outside this area, Mr. Barkley can also help you with lodging suggestions.

We appreciate the time and effort you are putting into making this presentation to our staff. If you have any questions concerning this invitation or your presentation, please feel free to contact Mr. Barkley at (610) 337-5065, or Ms. Chris O'Rourke in our Human Resources Office, at (610) 337-5386.

Sincerely,
