ERRATA

September 28, 2004

Report Number: NUREG-1022, Rev. 2

Report Title: Event Reporting Guidelines 10 CFR 50.72 and 50.73

Prepared by: Division of Inspection Program Management
Office of Nuclear Reactor Regulation
U.S. Nuclear Regulatory Commission
Washington, D.C. 20555-0001

Date Published: October, 2000

Instructions: Insert the words "either of" after the word "meet" in the second sentence under the paragraph labeled (3) in page 39.

The sentence, as is, reads: "Steam generator tube degradation is considered serious if the tubing fails to meet the following two performance criteria:"

With the above insertion, it should read: "Steam generator tube degradation is considered serious if the tubing fails to meet either of the following two performance criteria:"

Reference: Federal Register Notice / Vol. 69, No. 185, dated September 24, 2004 provides an explanation of the basis for this change.
