Subject: (NOTE: This will be used as the Documents Title in ADAMS)	RAI (141089) dated 10/29/07	
Summary:	In the letter dated 8/7/07, the licensee requested the addition of 4 Aus (J. White, A. Loiacono, Y. Knowles, and K. Halista) for uses authorized by 35.100 and 35.200. After reviewing the information provided and performing an ADAMS search, it was determined that Drs. White and Loiacono could be authorized for more than the originally requested 35.100 and 35.200. Based on Dr. White's permit issued from Maine Medical (a Broad Scope licensee), he could be approved for 35.300 and 31.11 as well. Dr. Loiacono provided documentation of his training in the use of I-131 < 33 millicuries. I confirmed with Ms. Sink that these physicians should be listed on the license for all uses for which they qualify.
