

Public Meeting Comment on the Draft Environmental Impact Statement for an  
Early Site Permit at the Vogtle Electric Generating Site  
October 4, 2007

Commenter Name: Patricia Keeter

Organization Name: The Borough

Address: 1213N Liberty St  
Waynesboro, Ga 30830

Phone number: 706 871-1382

Comment:

I think this is a great step for  
Burke Co. Not only because of the  
money it will bring in to the county. But  
because of the community growth and  
job market opportunities. Nuclear power  
is a clean safe way for making power.

I am very happy about the construction of  
the reactors at plant Vogtle and welcome it

Thank you  
Patricia Keeter
