Laura:

Glenn Carroll of Nuclear Watch South called today and asked about getting a copy of the DEIS. She's been a regular participant at these meetings and should have a hard copy. I don't mean to burden you with this but could someone call her, 404-378-4263, and see if we can help her? thanks.

Chip

This what I have as of today and I will send another if I get more on Monday.
