Jim

I already have a hot topics that I sent to Carolyn Lauron last week on the 16th. So we can just disregard this highlight if you like. Just let me know and I will not send it to Carolyn.

Thanks
Laura

Looks good, but let's put it in hot topics. I think it might be too late to issue as a highlight.

Jim,

Please review the attachment and let me know if there are any corrections that need to be made and I will make them. Once you are satisfied with the document please give me an email concurrence approval and I will send it to Carolyn Lauron.

Thanks
Laura
