Dear Mr. Caldwell:

I would like to bring to your attention that copies of correspondence from your office regarding the Hematite Decommissioning Project are being directed to R.A. Kucera, Director, Intergovernmental Cooperation, Missouri Department of Natural Resources. Mr. Kucera is no longer employed by this agency. I replaced Mr. Kucera as the State of Missouri's Liaison Officer to the U.S. Nuclear Regulatory Commission on September 20, 2005. I've enclosed a copy of the appointment letter from Governor Blunt.

I would appreciate it if you could ensure that future correspondence from all divisions of your regional office be directed to me instead of Mr. Kucera. Thank you for your assistance in this matter.

Sincerely,

DEPARTMENT OF NATURAL RESOURCES

H. Floyd Gilzow
Deputy Director for Policy
