Subject: Response to Request for Comments on PRM-50-88

References: (1) Volume 72, Federal Register, Page 46569 (72 FR 46569), dated
August 21, 2007

(2) Energy Solutions letter, "Petition for Rulemaking to Amend 10 CFR §
50.82," dated May 29, 2007

Exelon Generation Company (EGC), LLC appreciates the opportunity to comment on the petition for rulemaking (PRM) noticed in Reference 1. Reference 2 contains the PRM request and the associated rationale. EGC has reviewed the information contained in both References 1 and 2. EGC is in favor of the PRM and amending the NRC regulations to provide a process for licensees to seek NRC approval to use decommissioning trust funds to dispose of removed major radioactive components.
