Summary: According to Ms. Brigley, the last patient day is November 16, 2007. She confirmed that the physicist (Caprio) is coming next week to inventory sources. They will then obtain a quote from ADCO to pick up the sources. She stated that the hospital has a waste permit that expires December 31, 2007, so she anticipates that the sources will be gone by that time. She expects to be at the hospital and involved with the sources until that date.

Action Required: Keep in contact with Valerie or Colleen Smarra as to the progress of waste disposal.
