Hi Charlie,

This is to acknowledge that we received your Fundamental Nuclear Material Control (FNMC) Plan Revision 20 dated September 26, 2007. On a previous e-mail I confirmed that I received the electronic version. After reviewing the documents, I noted that they were not complete. However, the hard copy sent by mail provided the missing pages. An NRC review will be performed and any fees associated with this review will be charged to TAC number L32654. If you have any questions please contact me.

Thanks,

Nilda Rivera, Project Manager
