In the Matter of  
AMERGEN ENTERGY COMPANY, LLC  
(Oyster Creek Nuclear Generating Station)  
Docket No. 50-0219-LR

Dear Administrative Judges:

The Staff takes no position on "Citizens' Motion to Strike AmerGen's Unauthorized Answer" dated November 1, 2007, and will not respond to or take a position on future motions unless the motion challenges the integrity of the Staff or the integrity of the process. The record in this proceeding is closed and the parties' positions are clear. The Staff responded to Citizens' October 26, 2007 "Motion to Strike Erroneous Testimony" because it challenged the integrity of the Staff and the integrity of the process.

Sincerely,

*/RA/*

Mary C. Baty  
Counsel for the NRC Staff
