MESSAGE

Please see accompanying documents.

NOTICE

This message is intended only for the use of the individual or entity to which it is addressed and may contain information that is privileged, confidential, or exempt from disclosure under applicable law. If the reader of this message is not the intended recipient or the employee responsible for delivering the message to the intended recipient, you are hereby notified that any dissemination, distribution or copying of this communication is strictly prohibited. If you have received this communication in error, please notify the sender immediately by telephone and return the original to the above address, by U.S. Mail. Thank you.

The following additional information is needed to review your request.

Please describe the availability of the Radiation Safety Officer (RSO):

- a. Please describe the amount of time each week Patrick Byrne will spend at Fayette Memorial Hospital, performing his duties as RSO.**
- b. Please indicate the maximum amount of time it will take for Patrick Byrne to respond to an emergency involving radioactive materials when he is not at Fayette Memorial Hospital.**
- c. Please describe any previous commitments Patrick Byrne has as the RSO and/or authorized user at any other NRC licensed facility and describe the impact this will have on his duties as the RSO at Fayette Memorial Hospital.**
- d. Since Patrick Byrne will be the RSO at more than one facility, please describe any adverse impact this will have on his duties as the RSO at Fayette Memorial Hospital. If there will be no adverse impact, please state so, and why.**
- e. Please describe how Patrick Byrne will divide his time between both facilities so that he will be able to adequately perform his duties as the Radiation Safety Officer at Fayette Memorial Hospital.**

Please send a facsimile (630- 515-1078) of your response to the above within 6 days and refer to control . Please call me at 630-829-9839 if you have any questions.
