Docket No.: 50-390/391

Dr. Frank McLean
U. S. Army Corps of Engineers
Waterways Experiment Station
P. O. Box 631
Vicksburg, Mississippi 39180

SUBJECT: REVIEW ASSISTANCE ON WATTS BAR

In accordance with contract no. AT(49-24)-0037 between the NRC and the Corps of Engineers and a telephone conversation on October 7, 1976, the following document material pertaining to review of the subject nuclear facility is being transmitted separately to:

Dr. Frank McLean
U. S. Army Corps of Engineers
Waterways Experiment Station
P. O. Box 631
Vicksburg, Mississippi 39180

PSAR Volumes I through XIV

The NRC technical review contact is Mr. J. D. Kane (301) 492-7972. Your assigned reviewer should call Mr. Kane when he begins his review of this plant.

Written comments, questions, and requirements for additional information should be transmitted to the undersigned by November 12, 1976.

William P. Gammill, Assistant Director
for Site Technology
Division of Site Safety and
Environmental Analysis
