Phone conversation on 10/29/07 with Craig Metzger,
Environmental Engineer and Larry Kibler, new RSO.

The reviewer spoke to CM concerning whether or not Larry Kibler is to be listed also as an authorized user and whether or not Mike Roper is to be removed from the license as an authorized user. According to CM, Larry is to be an AU and Mike Roper is to be removed from the license since he not longer works there. Also, the reviewer spoke to LK to confirm his willingness to be the RSO. LK did confirm that willingness.
