ORDER CHANGING DATE OF EVIDENTIARY HEARING

Notice is hereby given that the evidentiary hearing on this matter, which was originally scheduled to be held on November 29, 1972, has been changed and is now scheduled to commence at 10:00 a.m. local time, on November 20, 1972, in the Rhea County Courthouse, Dayton, Tennessee 37321, and will continue until completed.

The first portion of the evidentiary hearing will concern itself with the environmental issue, then to be directly followed by the radiation and safety issue concerned in the subject application. All members of the public are entitled to attend the hearing. All parties who have requested the opportunity

to present limited appearances will be permitted to do so as early as practicable on the first day of the scheduled hearing session.

IT IS SO ORDERED.
