Ron,

Thank you for your assistance in this matter. Please be aware that correspondence which is sent to the Governor's Office may at times not get to the respective departments for varying reasons. That being said it's usually good to either cc a hard copy to us or send an email giving us notice so that we can be on the lookout for it when it gets to Acoma.

Thanks again,

Theresa

Al:

I tried but I can't send an electronic copy of the CR Survey to Acoma because the file is too big (40MB) for our e-mail system. Acoma can't access it directly via ADAMS because it is not publically available. Can you have Kleinfelder send a hard copy, or an e-copy if their system can handle it, to:

Theresa Pasqual, Director
Acoma Historic Preservation Office
P.O. Box 309
Pueblo of Acoma, NM 87034
505-552-5170
tpasqual@puebloofacoma.org

I provided Acoma a copy in May 2007, but Ms. Pasqual has not seen a copy and Laura is not sure they can locate the one we previously sent.

Thanks.
