RE: Request for Amendment to Current License 45-24944-01

Dear Sirs:

I am requesting to amend our current license agreement by changing the Assistant RSO from Stephen Douglas Chappell, to S. Michael Weakley. Mr. Chappell is no longer an employee with our company.

Mike Weakley serves as Safety Officer and has 25 years of experience with nuclear density and nuclear gauge safety. Mike worked as a VDOT Inspector from 1974-1984, and was certified in nuclear safety during that time. Mike was certified again in Nuclear Safety in 1992 when he came to Marvin V. Templeton & Sons, Inc., and has kept his certification current to date. He has also served as RSO, and is familiar with the duties necessary to maintain a good program.

Your consideration of this matter is greatly appreciated. Please advise on how I may proceed. If you have any questions, please feel free to give me a phone call.

Sincerely,

MARVIN V. TEMPLETON & SONS, INC.
