Tennessee Valley Authority
(Watts Bar Nuclear Plant, Units 1 and 2)
Docket Nos. 50-390 and 50-391

Dear Mrs. Honicker:

Your letter to the Licensing Board Chairman of April 7, 1977, indicated that at that time you had not received the Staff's response entitled, "NRC Regulatory Staff's Opposition To Petition For Leave To Intervene Of Jeannine W. Honicker", dated February 8, 1977. A copy of the Staff's response is enclosed. We regret that this document was not provided you earlier. Also enclosed is my Notice of Appearance, which was filed on March 2, 1977.

Sincerely,

Auburn L. Mitchell
Counsel for NRC Staff
