NRC MEETING DEC. 6 IN ROCKVILLE, MD., TO DISCUSS ENHANCING ENVIRONMENTAL REVIEW PROCESS

Nuclear Regulatory Commission staff will meet with the public in Rockville, Md., on Thursday, Dec. 6, to discuss how the agency can enhance the efficiency and effectiveness of its environmental review process. The Commission instructed the staff to hold this meeting as part of the agency's effort to improve its review of Combined License applications.

The meeting will run from 1 p.m. to 4:30 p.m. in the Commissioners' Conference Room, One White Flint North, 11555 Rockville Pike in Rockville. The meeting will include a public comment session and a roundtable discussion among NRC staff and invited state and federal agencies, public interest groups and industry groups. The full meeting agenda is available from the NRC's electronic document database, ADAMS, by entering ML073060575 at this address: <http://adamswebsearch.nrc.gov/dologin.htm>.

Members of the public who wish to comment may register at the meeting. The duration of individual comments may be limited by the time available, depending on the number of speakers who register. The public is also invited to ask questions throughout the meeting. For more information, contact Irene Yu at (800) 368-5642, ext. 1951.
