Atomic Energy Commission
W. B. McCool, Secretary of the Commission
Washington, D. C. 20545

Attention: Chief, Public Proceedings Staff

Dear Sir:

We are informed that a hearing is to be scheduled to consider the application of the Tennessee Valley Authority for permits to build two units of the Watts Bar Nuclear plant.

As a group whose interest may be affected by these proceedings, we request permission to make a limited appearance to set forth our position.

Thank you for your consideration.

Very truly yours,

Paul Shoop
International Representative
Utility Operations Department
