

November 15, 1995

IDENTICAL LETTER SENT TO ADDRESSEES ON ATTACHED LIST

Tennessee Valley Energy Reform
Coalition
P. O. Box 8290
Knoxville, TN 37996

Dear Sir or Madam:

In the public meeting of September 5, 1995, at the Quality Inn in Sweetwater, Tennessee, we committed to provide a copy of the meeting summary to everyone who gave us a mailing address. Enclosed are the meeting summary dated November 3, 1995, with Enclosures 1 and 3; and the attachments to Enclosure 3. The other enclosures (2 and 4 thru 18) are not provided due to the large volume of paper that would be consumed (approximately 600 pages), and the availability of these documents as described below.

The Commission has made provisions for members of the public to obtain various forms of information. Of special note are the local public document rooms (LPDRs) located near each nuclear plant, which are the Commission's primary vehicle for disseminating documents to the public. The LPDR for the Watts Bar Nuclear Plant is Chattanooga-Hamilton County Library, 1001 Broad Street, Chattanooga, Tennessee. You may obtain any publicly available Watts Bar documents by visiting the LPDR, or by contacting our LPDR staff at 1-800-638-8081.

Sincerely,

Original signed by

Frederick J. Hebdon, Director
Project Directorate II-3
Division of Reactor Projects - I/II
Office of Nuclear Reactor Regulation

UNITED STATES
NUCLEAR REGULATORY COMMISSION
WASHINGTON, D.C. 20555-0001

November 3, 1995

APPLICANT: Tennessee Valley Authority (TVA)
FACILITY: Watts Bar Nuclear Plant
SUBJECT: MEETING SUMMARY - MEETING WITH MEMBERS OF THE PUBLIC REGARDING
WATTS BAR NUCLEAR PLANT (TAC M72494)
REFERENCE: Meeting notice by P. S. Tam, August 18, 1995

See Reports

On September 5, 1995, NRC met with members of the public at the Quality Inn, Sweetwater, Tennessee. As stated in the meeting notice, the purpose was to give members of the public an opportunity to raise comments or issues associated with Watts Bar Nuclear Plant. Enclosure 1 is a complete list of NRC participants, and a partial list of members of the public.

The meeting sessions lasted from 2:00 p.m. to 5:30 p.m., and 6:30 p.m. to 10:45 p.m. The staff gave a short introduction regarding the past history of Watts Bar and current status. Then the staff called upon participants by name, in order of the sign-up sheet, to provide comments or issues. A court reporter transcribed the verbal exchange of the entire meeting. The transcript is Enclosure 2 and is the official record of the meeting. Written documents were provided by some members of the public (Enclosures 4 - 18); where available, the providers are identified. Some documents were left in the meeting room with no identification of the providers.

The staff is evaluating verbal and written statements made by members of the public for potential allegations under the NRC's allegation handling procedure. The resolution of allegations is, thus, not part of this meeting summary.

Unless otherwise noted in Enclosure 3, the staff affirms what was said in the meeting and was as recorded in the transcript. Enclosure 3 contains the staff's response to comments that were not addressed in the meeting, and provides revised/supplemented response to comments. As stated in the meeting notice, the public's comments and concerns will be addressed as part of the licensing decision process, if appropriate, i.e., if the comment or concern is within the statutory authority of the NRC.

Frederick J. Hobbs
