

November 27, 2007

Mr. Michael White
Director of Legal Affairs and Policy
Office of the Federal Register
National Archives and Records Administration
Washington, DC 20408

Dear Mr. White,

In accordance with 1 CFR part 51, we are requesting your approval for the incorporation by reference in the Code of Federal Regulations (CFR) of the following material:

NRC Regulatory Guide 1.84, Revision 34 (October 2007), "Design, Fabrication, and Materials Code Case Acceptability, ASME Section III".

NRC Regulatory Guide 1.147, Revision 15 (October 2007), "Inservice Inspection Code Case Acceptability, ASME Section XI, Division 1."

In these Regulatory Guides, the NRC lists those ASME code cases which are acceptable as alternatives to compliance with the provisions of the ASME Boiler and Pressure Vessel Code, as incorporated by reference in 10 CFR 50.55a(b). The NRC Regulatory Guides listed above also specify modifications, limitations, and exceptions which govern licensee use of certain ASME code cases.

We have enclosed a copy of the Federal Register notice for the final rule, "Incorporation by Reference of ASME BPV Code Cases" (RIN 3150-AH80), effecting the incorporation by reference, along with copies of the revised Regulatory Guides being incorporated. If you have any questions on this matter, please call me on (301) 415-7163.

Sincerely,

Michael T. Lesar, **/RA/**
Federal Register Liaison Officer

Enclosures: As stated
