SUBJECT: COMPLETION OF TERMS OF SETTLEMENT AGREEMENT (LBP-06-021)

Dear Mr. Miller.

This is to acknowledge your letter dated October 30, 2007, regarding actions you have taken to satisfy items 8 and 9 of the of the Atomic Safety and Licensing Board Order (LBP-06-021) (ADAMS accession number ML 062720314), dated September 29, 2006, which approved a Settlement Agreement between you and the NRC. You indicated in your October 30th letter that you have made presentations to the North American Young Generation in Nuclear and to the Nuclear Energy Institute Licensing Forum, thus satisfying items 8 and 9 of the Settlement Agreement.

After reviewing your October 30th letter, we have concluded that you have met the intent of items 8 and 9 of the Settlement Agreement. In addition, in our letter dated December 7, 2006, (ML063410440) we acknowledged your completion of item 7 of the Settlement Agreement. Therefore, the NRC has determined that you have met all the terms of the Settlement Agreement and we consider this matter to be closed.

If you have further questions regarding this matter, please contact Doug Starkey of my office at (301) 415-3456 or drs@nrc.gov.

Sincerely,

/RA/
