Jack:

No problem - I will move the briefing to the March 2008 meeting. Thanks for letting us know so early.

Derek,

I have been recently assigned as the PM for the Shieldalloy decommissioning. Today I received a note which indicated that an ACNW briefing of the Shieldalloy Decommissioning Plan Review has been scheduled for the week of February 11th 2008. Unfortunately, I will be in Vienna, Austria that week meeting with representatives of IAEA. Would it be possible to reschedule that briefing to March 2008 or during some other time convenient for the committee?

Thanks,

Jack
