Subject: Uranium Recovery GEIS

To Whom It May Concern:

I am responding to the U.S. Nuclear Regulatory Commission's Federal Register notice dated July 24, 2007 regarding the scope of the proposed Generic Environmental Impact Statement ("GEIS") for in situ leach ("ISL") uranium mining.

I write to oppose a GEIS.

i'm a janitor, so i know that a 'one size fits all' arrangement of this type *will not work*. every situation is different and must be considered individually.
